tiktok committed 300 million for this program which would then be paid out to eligible creators depending on the number of views they get so for instance considering the payment amount highlighted above you could earn about 20 50 for a million views and the more views you get the better you ll earn for creators using tiktok to advertise or generate revenue the tiktok promote feature is a valuable tool it allows you to fine tune your targeting around age gender and interests the key to tiktok is that views tend to generate more responses than on other platforms which is why sponsored tiktoks are growing in popularity in this video you can clearly see that the user has generated some coins for their tiktok using this website and they were credited immediately to his account don t expect this much speed always because this website has a higher traffic now and therefore the server is a bit slow in functioning such as assigning the coins to the users a delay of up to one hour is possible at peak hours especially usa time 6pm to 12am suppose there is a user who actively spend time on your videos and you want to show some love towards them you can simply send a diamond to them and express that you value them very much this is how the coins are working on tiktok
