being a one man or a one woman show doesn't always pay off especially if you're just starting out recording a duo with an equally talented friend or making any other type of collab video can have a positive impact on the size of your fanbase it is important to choose the people you work with carefully because content creators that already have a lot of followers might not be interested in collaborating with you if the number of followers you have is significantly lower than theirs the people you choose to work with should also share your passion for the type of video you're hoping to create since there is no point in inviting someone to make a comedy video with you if their main interest is in fashion after selecting the person you're going to collaborate with you can use the tiktok's duet option that offers an easy way to create a music video with someone who shares your taste in music growing your tiktok followers takes time effort and a strategic approach by optimizing your profile producing high quality content engaging with your audience and leveraging tiktok's features and trends you can steadily increase your follower count remember the key to success on tiktok is to stay authentic be creative and have fun with your content creation process by following these seo friendly tips you'll be well on your way to becoming a tiktok sensation happy tiktoking sharing new content at

least twice a day will eventually get you a massive following because it will improve the exposure your videos are getting but you also have to post videos at the right time the magic posting hours on tiktok are between 11 am and 5 pm as your followers and their friends are most likely to use the app in that time frame get to know your audience and try to understand how frequently and at which hours they re using the tiktok app this will help you create a posting schedule that minimizes the chances of posting videos during parts of the day when they get the least amount of exposure how can you expect others to have fun while watching your videos if you don t have fun making them be spontaneous and enjoy your time in front of the camera that way you can always keep the spectator guessing what you re going to do next put on a good show that will leave the viewers of your videos wanting to see more you can accomplish this by adding a lot of humor to the video or by simply enjoying the moment and going with the flow even though there are no recipes to the success of the content you post on the tiktok platform focusing on your performance while remembering to be funny at times is going to help you increase the number of followers
