instagram started out as a platform for youth to have fun and share goofy pictures only to be gradually become a hub for small business or even big brand names for online marketing and creating an online brand presence for themselves hear a notification ring pull your mobile out from your pocket open instagram and see a real and active user has followed you there would be nothing more heart stirring than that also to find out he or she slips away somehow takes longer than that and so does the confusion and depression that remains to you take it easy since it s not your fault you just got into an invisible trap where those free instagram followers tools break the promise there s no denying that brands are at the mercy of the instagram algorithm for reach still posting at the right times can still give your posts more visibility anything you can do to maximize engagement is a plus why does this matter well it s crucial your followers actually engage with you and your content not only does that show they re into what you re posting it also bumps your posts higher up the feed for more exposure
