gen z are nothing if not marketing geniuses she says of tiktokers ability to push out viral phrases having covered youth culture and marketing trends since 2008 lewis is struck most by the shift from where these terms and phrases used to originate versus where they do now when we were kids growing up magazine editors and fashion designers were determining trends but now editors are literally just reporting on what people on tiktok are doing how much you can get paid for brand sponsored content on tiktok largely depends on the number of followers you have this is used by brands to determine how influential your account is and how much reach it can help them achieve other factors like your content quality engagement rate and niche will also come into play unlike youtube tiktok users don t get to share in the advertising revenue on the platform so you have to find other ways to earn money on tiktok this makes the amount you can make more variable on tiktok however once you make a name for yourself the money you earn on tiktok can be very lucrative according to our tiktok influencer engagement and earnings calculator charli d amelio potentially earns 56 000 94 000 per post the coins in tiktok are equivalent to real money because after accumulating a certain amount of coins the platform allows you to collect them and use them to purchase items with the money you earned
