if you click on a dice link and it doesn't even open in monopoly go then that's a different issue from our experience there can sometimes be teething troubles when you try to open a dice link on an android device when you click on a link in your browser you should get a pop up menu asking you to open in another app monopoly go also rewards players with free dice through the app's daily login bonus which can be claimed every eight hours more dice rolls can be claimed each day as well by completing objectives in quick wins and when you connect your monopoly go profile to your facebook account or your phone's contact list if this doesn't happen and the link instead opens in a separate tab on your browser try refreshing that page and see if the pop up menu appears alternatively try clicking on the link again and see if that triggers the menu if none of these troubleshooting tips work try opening up the monopoly go app so it's running in the background then head back here and try clicking on the link again to see if that kicks things into gear it's important to note that while these methods offer ways to acquire free dice they may not always be plentiful the core gameplay loop still revolves around taking calculated risks and strategically managing your resources
